Dr. Norman J. Miller
Superintendent

Mr. Deron Doi
Principal

A huge thank you to Arts for All for bringing the Student Author Movement into our school.

What an honor to have had the opportunity hosting Stephen Kozan at Rutherford Elementary School.

Mr. Kozan was so well prepared and flawlessly engaged all students throughout his interactive presentation. He connected with the students and staff through talking about his writing and illustrating process. His passion for writing, as well as fostering the creativity within students, were evident within his presentation.

I was so impressed with his answers to student questions as he followed up with a Q & A session. He was engaging, personable, professional, energetic, and a positive influence in inspiring and encouraging our scholars!!

Sincerely,

Deron Doi

Principal

Rutherford Elementary School
