**"Together Everyone Achieves More"**

March 1, 2022

To whom it may concern,

On March 1, 2022, we had the pleasure of having Mr. Stephen Kozan and Mr. Tony Maulfair at Swatara Middle School to facilitate a writing and illustrating workshop. Students were actively engaged in learning more about writing, authoring, illustrating, and the publishing of books. Mr. Kozan and Mr. Maulfair did an incredible job of getting students excited to begin writing and illustrating their own story with the chance of having it published. Based on feedback from students after the workshop they expressed how much they enjoyed the workshop and were also excited to receive books donated by Mr. Kozan.

We at Swatara Middle School would like to thank the Martin S. Sacks Memorial Fund for providing grant money to fund the Student Author Movement. It is truly impactful and gives our students an opportunity to learn how to be creative writers, thinkers, and illustrators. We would be happy to have Mr. Kozan and Mr. Maulfair back to Swatara Middle School for a Student Author Movement visit. Additionally, we would recommend this workshop to other schools to provide this enriching opportunity for their students.

Sincerely,
